

I wanted to thank everyone for their continued financial support to the parish. It is with your contributions that we are able to save and do continued improvements to the parish. If you are a homeowner, then you know that something constantly needs fixing. The parish is no different, and this is also your home. In this past fiscal year here are some of the expenses we have incurred:

New carpeting in the Narthex	\$3,898.65
Replacement of Bell Road Country View sign	\$3,845.00
20 New chairs	\$ 719.80
Replace Parish Water Heater	\$ 700.00
Replace Rectory Water Heater	\$ 850.00
Fire Lane Sign Installation	\$ 695.00
Landscaping Cleanup, flower bed by sign	\$6,785.00
	<hr/>
Total	\$17,493.45

Projects to be done before this fiscal year

Parking lot lighting switch to LED	\$6,000 (approx.)
Repair and restore OMGC Statue in Church	\$3,200 (approx.)
Trash can enclosure for trash cans outside	\$ 675 (approx.)
	<hr/>
Total	\$8,875.00

Another major expense to the Parish is renting space at the Homer Junior High for Religious Ed classes. The estimated cost is approximately **\$10,000 per school year.**

So as you can see the parish has done many projects and there is more to be done such as anticipated repairs on all the concrete sidewalk outside which will approx. cost \$60,000.

Once again, we thank you for your support to allow us to continue to improve and maintain your parish. With all the upkeep the parish and rectory continually need, any increase you can comfortably afford in your contributions would be greatly appreciated.

May God continue to bless you and your family. Father Joseph
